### THE SEASON'S OUTLOOK.

Some Interesting Opinions About the Nation-

al Lengue's Prospects. It is interesting to know the difference of opinion there exists in National League cities regarding the prospects of the season. So far, judging from practical results in the East there does not seem to have been that amount of success anticipated. President J. B. Day, of the New York club, however, and one or two others seem to be well satisfied as to the financial achievements so far. The Western authorities are also to some extent satisfied and very hopeful of the future. In a letter to the writer, Charles J. Foley, of Boston, expresses the following interest-

ing opinion on the question.

The outlook in the League is very poor for a money making season. New York's being ousted from the Polo Grounds is a great financial loss to all clubs. Chicago, too, has not a very bright outlook unless the club pulls together and makes a bid for one of the leading positions. Chicago has always made money They will make money this year, but not so much as last season, when it was estimated that they cleared \$85,000.

of despair and Indianapolis is not doing much batter. Pittsburg is a fine ball town, but I tuess the citizens are becoming tired of seeing their team struggling for the unenviable sixth position year after year.

In the American Association there is a prospect of Louisville going to the wall, unless the team is suddenly boistered up. Boston beats the world for baseball. Why, in the four New York games the attendance was over 29,000, turnstile count. Pittsburg dropped four days in succession and yet they drew about 14,000 people. Oh, it's great here; but as the rounders would aprily say, "I'm dead lairy of the other towns." The batting of the Bostons is something different from anything ever seen here. It is

SIMPLY TERRIFIC.

Even Charlie Radbourn has taken the fever, and lines two or three hits to the outfield right alone. Brouthers is hitting the ball harder than any man in the country, and has a per-centage close to .500. Kelly, too, is batting in centage close to .500. Kelly, too, is batting in great shape, and has won the esteem of the people once again. The people of this town were very sore on "The Only" a short time ago, but people forgive everything when the clink keeps winning right straight along. The race is still young, and some of the teams who are crippled at present will get their men in trim and pay up for past losses. New York is in hard luck, but Pittsburg is crippled worse than any other team.

any other team.

I am sorryto hear of Pittsburg being in such
a deplorable condition after starting out so
well. Pittsburg has a team of fine starters, but
bad finishers; besides, their catching depart-

CAME TO BLOWS

The Bables and Phillies Have a Very Lively Time. PHILADELPHIA, May 22.-O'Brien's inability to get the ball across the plate and a clever ex-hibition of ascrifice hitting, gave the Phillies the first game with Cleveland this afternoon. The visitors found considerable fault with the The visitors found considerable fault with the umpiring, and they once threatened to leave the field, but reconsidered. In the seventh inning, as Stricker was running up to third on a wild throw by Clements, Hallman interfered with him, Tebeau, who was standing at third, kept pushing Stricker toward home, and because Clements touched the runner out, he (Tebeau) hit the Phillies' catcher in the neck. Hefore Clements could retaliate Farrar parted the men. Fasts was fined \$50 for back talk, and Tebeau \$10. Game was called on account of rain. Score:

A Pittsburg Pitcher Doing Great Work at Wheeling.

Director Smith, of the Wheeling ball club, was in the city yesterday and talked very hope-fully of his club. He said: Boston Made a Pile.

Boston cleared more than this large amount, and New York cleared about as much as Chicago. But New York this year! Well, sir, unless the State Island patronage increases the club will have all they can do to come out whole. Washington, as usual, is in the slough of despair and Indianapolis is not doing much beater. Pittsburg is a fine ball town, but I beater. Pittsburg is a fine ball town but I beater.
